Bilateral Meetings

- Wednesday 12:00 - 14:00

Description

Euvita Cluster is organised on the territory of Northwest Croatia with the purpose of achieving programme aims of rural development and to connect small and medium enterprises in programmes of development of production and processing of agricultural products and rural tourism in accordance with the notion of sustainable development. Its particular programme activity is creating pre-conditions for innovative programmes of development through the development of international cooperation, inter-sectoral and transnational cluster collaboration and partnership relationships. .EUVITA has partnership and networking with local government, business networks and organisations, interregional cooperation with Local action groups (LAGs).In this respect, the Cluster is broadening its activities into some other issues such as renewable energy sources (Multipurpose use of biomass), preparation of programmes for financing from other EU funds. The area of possible cooperation: rural development projects, complete value chain of production and food processing especially healthy nutrition programme, natural medicine programme, natural cosmetic products ,processing of fruit, vegetables and herbs (Conventional and organic production), complete education for entrepreneurship formally and informally, education in the complete chain of organic production control and certification, also green entrepreneurship, innovation management and joint development of new products, particularly nutritional properties, food supplements , international cooperation and partnership, also in rural tourism, production of green energy, partnership in eu projects, research and preparation, international cooperation.
