Description

Vojvodina Development Agency (Abbreviated RAV) is established under the auspices of the Government of AP Vojvodina, with aim to provide support for the implementation of the development policy of Vojvodina, agricultural policy and rural development policy. Our aim is to encourage the influx of foreign and domestic capital and to offer professional services to those companies willing to invest into Vojvodina. RAV investigates economic potentials and the existing resources, suggests the possible solutions for the development of economy, agriculture, energetics, tourism and rural development, giving the specific emphasis on innovations and technological upgrades.
