- Wednesday 12:00 - 14:00
- Wednesday 15:00 - 17:00

Description

ML commerce is innovative and perspective company that rebuild and overhaul "Livnica Kikinda" brand into highly precise universal and CNC grinding machines. We continued tradition of brand "Kikinda" high quality and created new value on the market across borders of Central Eastern Europe.

Our headquarters are in Serbia, in Central-East Europe and our team consists of 10 experts with 20+ years of experience in machine industry. We have successfully serviced CNC machines for our clients from Slovenia, France, Serbia, Croatia, Bosnia and Macedonia.
