COMPANYPROFILE

"Once a year, go someplace you have never been before."

Traveling has always been a part of my life. Ever since I was a little boy I felt a need to explore, move from one place to another. By my third year, my grandmother predicted that I will be "the globetrotter". This prediction later expanded on to a great life goal: to visit minimum 100 countries during my lifetime.

That is why, when ever I can, I choose a new destination. The world is beautiful and every country has its own wonders worth seeing, has its own small paradise, which is there just for me...and just for you.

I invite you to join me in my quest of discovering hidden treasures. With the foundation of Alpha Travel South East Europe my hobby transformed into business, where it is my desire, my obligation and my mission to take you to the not-yet-discovered gems of Southern Europe. Friendly people, great sights to see, a variety of food, drinks, tradition and not at the last place - fun are waiting for you.

Are you ready for something completely new and not yet discovered? Are you ready to visit Hungary or Serbia, or maybe Bosnia and Herzegovina, or Macedonia, not to forget Montenegro or even Albania? I believe you are.

Just pack your bags, the rest is on us!

COMPANY INFORMATION

Roots of Alpha Travel go back to the early 1999s. Although the name was at the time different, the vision was and will always remain the same. Provide great service to people willing to travel. The company's journey began in the United States and followed its path accross the globe to Jordan. Soon the experiences gathered increased, as the activities spread throughout Turkey, Egypt, Morocco and Tunisia. Alpha company was officially established in the year 2014, opening branches in the United Arab Emirates and Bosnia and Herzegovina.

As the cliché destinations nowadays become oversaturated with tourists and increasing prices it is our belief that people are open to new destinations, new adventures. That is why in 2016 we proudly opened the doors of Alpha Travel SEE.

Dedicated to warm the hearts of travellers and companies with new, unexplored territories, tasty food and unforgettable drinks and most importantly ...

with new, fond memories.
